SPONSORSHIP OPPORTUNITIES

The Texas Hill Country Senior Softball League (THCSSL) was formed in 2012 to provide a recreational opportunity for senior men (50+) and women (40+) in an organized non-contact sport for physical fitness activity. It is a slow pitch softball league for players of all skill levels. Everyone who signs up is guaranteed playing time. Non-profit status has been approved by the IRS according to Chapter 501(c)(3).

The THCSSL is soliciting sponsorships to keep player fees at a level that are affordable for any senior wanting to participate. Funds collected from player fees and sponsorships go to pay the costs of playing/practice field rentals, player uniforms, umpire and scorekeeper fees, game balls and other miscellaneous costs. There is also a provision in place to provide player financial assistance for those in hardship situations.
